

Greetings from Kominos

Join us at this year's **kefi at the winery** on **6th October**, for a taste of the wines that won us the **RNA Trophy for Most Successful Queensland Exhibitor**. As our vines mature (up to 35 years old) the fruit they produce is more intense and the wines are developing greater depth of flavour each year. Last week in the New Zealand International Wine Show we won gold, three silver and two bronze medals in a show with over of 2000 wine exhibits judged by Bob Campbell MW nz and Kym MilneMW aust. and others.

Kefi is a fun night with wines we have grown and made from our surrounding vineyards, delicious Greek cuisine, and live bouzouki playing Greek and Latin dance music.
